

## **Week of January 17**

### **TEENS, PARENTS AND THE LAW**

**Tuesday, Jan. 19:** The Com-

munity Alliance for a Safer Tomorrow (CAST) is sponsoring a seminar presented by Attorney George Nikolaou, "Teens, Parents, & The Law: Making Good Decisions" on January 19th in the Large Group Instruction Room (LGI) at Upper Merion Area High School, starting at 6:30 p.m. Attorney Nikolaou will address issues such as teen parties, Senior Week, and Prom, etc. Decisions on these matters can often have far-reaching consequences, leading to legal issues affecting the teen's future and potentially the entire family. Too often, Attorney Nikolaou is contacted after a bad decision has been made. He is hoping this presentation will help parents and teens make informed decisions. The seminar is appropriate for high school students, especially seniors, and parents. Please register by contacting Susan Shelton at [sshelton@umasd.org](mailto:sshelton@umasd.org) or 610-304-5533.
